RE: 10 DE Reg. 1205 [Proposed Driver Education Regulation]

Dear Dr. Mayhew:

The State Council for Persons with Disabilities (SCPD) has reviewed the Department of Education's (DOE) proposal to amend its driver education regulation published as 10 DE Reg. 1205 in the February 1, 2007 issue of the Register of Regulations. SCPD submitted comments on the existing standards in August and October of 2002. The latest proposal is essentially a "housekeeping" measure with several technical amendments. It updates a reference to the DOE associate responsible for driver education, substitutes "10th grade" for "sophomore", and cross references the statewide curriculum for driver education. SCPD endorses the proposed regulation.

Thank you for your consideration and please contact SCPD if you have any questions or comments regarding our position or observations on the proposed regulations.

Sincerely,

Daniese McMullin-Powell, Chairperson
State Council for Persons with Disabilities
